

Certificate of Compliance / Letter of Guarantee

January 5, 2026

To whom it may concern,

This Letter of Guarantee covers Hartmann egg carton packaging of the following designs:
HartTop, HartVue and Hybrid.

Regarding the intentional use of per- and poly-fluoroalkyl substances (PFASs) in the manufacture of pulp fibre egg cartons at Hartmann Packaging. Hartmann Packaging does not intentionally add PFASs in the manufacture of pulp fibre egg cartons and does meet all applicable regulatory and safety standards in both Canada and the United States.

Any modifications to this letter that affects this compliance will be communicated directly to you.

Sincerely,

Bruce Strecheniuk
Manager, Quality & Process Management
Hartmann North America
